MEMORANDUM FOR: [REDACTED]

25X1A

SUBJECT: Improper Security Classification

REFERENCE: 3253-M-329, 6 March 1959

1. Referenced memorandum was seriously underclassified and was transmitted through the wrong channel. Please upgrade your and the author's copies [REDACTED].

25X1C

2. Also, I suggest that you hold a briefing of all team members (especially those who never worked with the stuff closely) on this classification indicating when it must be special classification and when it need only be handled via special channels.
